**Make A
Lasting
Impression**

Your component
of the Walkway
will make an
everlasting tribute.

On November 1, 2007, an Opening Ceremony commemorated the construction of a new, bold AVH landmark sign at the intersection of Hutchins Street and Page Hill Road and a breath-taking Lighted Walkway that begins at the sign and continues to the front entrance of AVH. The Walkway includes three beautiful pocket parks, complete with benches, bollards, rock, flowers, trees, and shrubs. To raise funds for the Walkway and the AVH Auxiliary, individuals, families, businesses, civic groups, and others may purchase actual components of the Walkway. Each component includes a personalized inscription, either embedded on the component or etched on a brass plate. Components will be installed annually in the Spring and Fall.

Inscription Ideas

- In memory of a deceased family member, friend, coworker or pet

Everyone uses the Hospital at one time or another in their lives, whether it be for a happy event, such as the birth of a baby, or for a more serious occasion. Androscoggin Valley Hospital is an integral part of our community, and the "Impressions of Care" Lighted Walkway Project benefits all who live in the beautiful North Country.

In addition to celebrating 50 years, the Auxiliary is looking ahead to 50 more years of service to the Hospital and community. The "Impressions of Care" Lighted Walkway Project marks the beginning of a new era.
